

Draft Agenda: Training School Summer 2013

COST Action no. TD1204
Action Title: Modelling Nanomaterial Toxicity (MODENA)
Venue: University Tor Vergata, Rome, 7th-9th August 2013

Wednesday 7th August

13:00-14:00	Registration	
14:00-14:15	Introduction to the Training School	Lang Tran
14:15-15:00	Issues regarding the modelling of Nanoparticle Toxicity - Introduction	Yoram Cohen
15:00-15:30	Coffee Break	
15:30-16:15	Characterisation and Exposure to Nanoparticles	Ushi Graham
16:15-17:00	Modelling the toxicity of nanoparticles - Part I	Tomasz Puzin
17:00-17:20	General Discussion	

Thursday 8th August

09:00-10:30	Tutorial I	Kate Odziomek/ Tomasz Puzin
10:30-11:00	Coffee Break	
	Tutorial I continued	
12:30-14:00	Lunch	
14:00-15:00	QSAR Concepts for Nanomaterials: Rationale, Methods, Pitfalls	Dave Winkler
15:00-15:30	Coffee Break	
15:30-17:15	Tutorial II continued	Ceyda Oskel/Dave Winkler

Friday 9th August

9:30-10:30	Continued Discussion on course and tutorials with the participants	Kate/Ceyda/Tomasz/ Dave
10:30-11:00	Coffee Break	
11:00-12:00	Using Modelling in Research	Round Table discussion
